RE: U.S. v. Walter Anderson  
Reg. No. 05201-015

Dear Honorable Farnan;

Mr. Walter Anderson arrived at FDC-Philadlephia on May 08, 2007. Realizing he needed a GED to enhance his employment opportunities, he immediately enrolled in the prison's GED prep classes. I am his instructor.

I can verify that he attends all classes exhibiting exemplary behavior, he is attentive and willing to learn, and his class participation is substantive. Furthermore, he is absorbing the lessons well, progressing rapidly toward his goal of taking the GED exam.

In sum, I am pleased to witness Mr. Anderson's academic acumen.

Very truly yours;

  
Kenneth J Welch
